STONELEIGH GOLF CLUB | ROUND HILL, VA

Please join us for Quantum Sky's 18th Annual Charity Golf Tournament benefiting the Fisher House Foundation.

While this is our first year hosting the tournament as Quantum Sky, we are proud to continue a tradition that began 18 years ago through our legacy organizations, Tyto Athene and Black Box. Throughout that time, our commitment to supporting the Fisher House Foundation and the military and veteran families it serves has remained steadfast.

Thanks to the extraordinary generosity of our sponsors and participants, we have raised more than \$660,000 for the Fisher House Foundation. We are especially proud that 100% of every sponsorship and registration dollar goes directly to the Fisher House Foundation. Quantum Sky covers all event expenses, ensuring that every dollar contributed has the greatest possible impact.

This tournament is more than a day on the golf course—it is an opportunity to come together for a meaningful cause and make a lasting difference in the lives of our nation's veterans, service members, and their families.

We invite you to join us in continuing this proud tradition and making our 18th year our most impactful yet.

Please review the sponsorship opportunities outlined on the following pages and thank you for your support of the Fisher House Foundation.

About Fisher House Foundation:

The Fisher House Foundation is a private-public partnership supporting members of the Armed Forces, retirees, veterans, and their families. The program honors the sacrifices of military families by meeting needs not covered by the Department of Defense or Veterans Affairs. Fisher House Foundation donates "comfort homes" located at major military and VA medical centers, allowing families to stay close to loved ones during hospitalization for illness, injury, or disease. Annually, the Fisher House serves over 10,000 families and has provided nearly 3 million days of lodging since its inception in 1990. By law, there is no charge for any family to stay at a Fisher House. Learn more at: www.fisherhouse.org.

About Quantum Sky:

Quantum Sky, formerly Tyto Athene, is a mission technology company that builds secure, AI-enabled and quantum-ready capabilities for defense, intelligence and federal civilian agencies. By combining trusted government delivery with applied AI, post-quantum readiness and emerging quantum research, Quantum Sky helps customers modernize critical systems, secure mission data and operate with greater speed, resilience and confidence. At the core of its model is Project 137, an applied innovation and intellectual property engine that turns emerging technology into fielded mission advantage.
